**Age Discrimination**

Malcolm Sargeant

2016-04-01 Age

Discrimination looks at how both young and old can be penalised by prejudice against their age group. Following recent changes in the law, the issue of age discrimination has come to the fore. The new

legislation will extend legal oversight of age-related discrimination to the provision of facilities, goods and services, as well as employment. Professor Sargeant provides a thorough review of the consequences of these changes and their implications for businesses and service providers, public or private. This comprehensive new book, like its predecessor *Age Discrimination in Employment*, is essential to practitioners responsible for HR issues, finance, operations, service delivery, quality and customer relations, and for those with a policy focus or academic interest in diversity issues.
