The Indigo Children Lee Carroll 1999-05-01 The Indigo Child is a boy or girl who displays a new and unusual set of psychological attributes, revealing a pattern of behavior generally undocumented before. Throughout this work, Carroll and Tober bring together some very fine minds (doctors, educators, psychologists, and more) who shed light on the Indigo Child phenomenon. These children come in "knowing" who they are—so they must be recognized, celebrated for their exceptional qualities, and guided with love and care. This book is a must for parents!

The Family Dinner Laurie David 2010-11-03 The producer of An Inconvenient Truth, Laurie David's new mission is to help America's overwhelmed families sit down to a Family Dinner, and she provides all the reasons, recipes and fun tools to do so. Laurie David speaks from her own experience confronting the challenges of raising two teenage girls. Today's parents have lots to deal with and technology is making their job harder than ever. Research has proven that everything we worry about as parents—from drugs to alcohol, promiscuity, to obesity, academic achievement and just good old nutrition—can all be improved by the simple act of eating and talking together around the table. Laurie has written a practical, inspirational, fun (and, of course, green) guide to the most important hour in any parent's day. Chock-full chapters include: Over seventy-five kid approved fantastic recipes; tips on teaching green values; conversation starters; games to play to help even the shyest family member become engaged; ways to express gratitude; the family dinner after divorce (hint: keep eating together) and much more. Filled with moving memories and advice from the country's experts and teachers, this book will get everyone away from electronic screens and back to the dinner table.

The New Dramathemes Larry Swartz 2002-01-01 This remarkable book includes more than one hundred games and drama activities, all with a clear learning focus. The activities use themes as a springboard for easy drama through games, movement, tableau, role playing, improvisation, readers theatre, choral speaking, and much more. Teachers will find opportunities to explore literary genres that include the picture book, novel, rhyme, folktale, poem, script, and photograph. New drama structures look at relevant topics that range from personal narrative and the immigrant experience to bullying and building a community. This comprehensive approach to drama illustrates how teachers can reach each learner in the classroom.

What to Read When Pam Allyn 2009-04-02 Read Pam Allyn's posts on the Penguin Blog The books to read aloud to children at the important moments in their lives. In What to Read When, award-winning educator Pam Allyn celebrates the power of reading aloud with children. In many ways, books provide the first opportunity for children to begin to reflectively engage with and understand the world around them. Not only can parents entertain their child and convey the beauty of language through books, they can also share their values and create lasting connections. Here, Allyn offers parents and caregivers essential advice on choosing appropriate titles for their children—taking into account a child's age, attention ability, gender, and interests— along with techniques for reading aloud effectively. But what sets this book apart is the extraordinary, annotated list of more than three hundred titles suitable for the pivotal moments in a child's life. With category themes ranging from friendship and journeys to thankfulness, separations, silliness, and spirituality, What to Read When is a one-of-a-kind guide to how parents can best inspire children through reading together. In addition, Pam Allyn includes an indispensable “Reader's Ladder” section, with recommendations for children at every stage from birth to age ten. With the author's warm and engaging voice throughout, discussion questions to encourage in-depth conversations, as well as advice on helping kids make the transition to independent reading, this book will help shape thoughtful, creative, and curious children, imparting a love of reading that will last a lifetime. StoryCraft Martha Seif Simpson 2015-11-17 While storytelling is a great favorite of preschoolers, many elementary age children are more drawn to crafts and other activities. StoryCraft is an award-winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades. Each one-hour program includes storytelling, a craft, movement, activities, music, and discussion. This collection of StoryCraft programs presents 50 fun and educational theme-based sessions. Each includes suggestions for promotion, music, crafts, activities, and stories. The sessions also include bibliographies to help direct young readers toward additional reading, as well as diagrams, detailed instructions, and supply lists for the crafts. The themes range from a Jungle Safari to Math Mayhem to a Western Roundup, all encouraging children to enjoy reading in a variety of ways. Each session has plenty of suggestions, so that the program can be customized. Helpful Hints for implementing the program can help any librarian, volunteer, or parent turn a ho-hum storytime into a dazzling StoryCraft time.
