Kitabu : The Drum Still Cries Earl L. Reifel 2012-06-29 Kitabu: The Drum Still Cries is not only the story of a young missionary living in a remote area with an indigenous group of people, but also a story of the struggle and the victory, as the missionary learns to share the Gospel in culturally appropriate ways, so that the men of the African tribe can pass on the truths of the Gospel, and transform their own lives. This unique story is told by an imaginary troubadour, who observes the youthful missionary, who seeks to find redemptive analogies and culturally appropriate ways to present the Gospel to a civilization far removed from his own educational background. The African men must take up the challenge of reaching their own people for Christ. Kitabu: The Drum Still Cries will make you laugh and cry, as you walk through the foothills of the mountains, with the men who face challenges of planting a truly original church among their own people, for themselves, and for God.

American Book Publishing Record 2007

Congressional Record United States. Congress 1967 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
